

**HANOVER PARKS AND RECREATION: EPI-PEN PERMISSION FORM**

Dear Parent:

According to our records, your child requires the use of an EpiPen, and we do not have one for your child. Your child (grades 6-8) is allowed to carry an EpiPen in his/her backpack with your written permission, however if you do not feel this is the best option you may elect to have an EpiPen stored for your child in our first aid supplies. Additionally, in order for our staff to give the EpiPen to your child we will need your signed permission, and for you to demonstrate how your EpiPen works. Please review your options below and return this form to the Hanover Parks and Recreation Department. You may also mail this form to:

Hanover Parks and Recreation Department  
Richard W. Black Community Center  
48 Lebanon Rd.  
Hanover, NH 03755

- A.) My child, \_\_\_\_\_, has my permission to carry an EpiPen in his/her backpack as a precaution for severe allergic reaction to \_\_\_\_\_.
- B.) I prefer the Hanover parks and Recreation Program keep an EpiPen for my child, \_\_\_\_\_. This EpiPen is a precaution for severe allergic reaction to \_\_\_\_\_.

I demonstrated the proper use of an EpiPen to \_\_\_\_\_, on (date) \_\_\_\_\_. This demonstration was to teach him/her how to use an EpiPen in the event my child, \_\_\_\_\_ should have a severe allergic reaction.

Parent Signature: \_\_\_\_\_ Date: \_\_\_\_\_
