When looking at the map of Block 10 at Pine Knolls Cemetery the areas in white are grave sites that are currently available. Each full rectangle is broken down into 6 individual grave sites (you can see this broken out on some of them). For map requests- asa.metcalf@hanovernh.org

Once we have confirmed a grave site(s) and received payment, we can begin the paperwork. About two weeks after you will receive the deed paperwork from the Town Clerks Office.
