**Off-Site Information :**

The **town tour** on Tuesdays will feature a walk into downtown Hanover. Campers will bring their lunches (they have the option to choose from Boloco or Ramuntos to purchase lunch if they wish) and we will eat on the Green. A Valley Quest in search of items in Hanover will be part of the Tour.

Every other **Thursday** beginning June 30th will be a field trip day.

**Fridays** will be spent at **Storrs Pond** (campers may purchase from the snack bar at lunch time). We will have time at the pond, canoeing and a rotation of activities.

Campers must provide their own snacks and lunch or money to purchase lunch on designated days.
